Materials Required	Any “art” type materials eg flip chart paper, pens, coloured paper, glue, scissors, glitter, paint sticks, newspapers, magazines, silver foil, coloured stickers/stars

Overview

This activity is aimed at different teams or individuals within a new/project team to support the recognition of what they do eg strengths and/or how they support each other/other parts of the business.

Running the activity

- Decide on a time limit and allocate the resources to each group.
- Ask the teams to design a poster using as many of the materials provided as they like to:-
 - Advertise the services of your team to the rest of the other team/company
 - Be as creative and innovative in your ideas as possible!!!!
 - You will then be required to present your poster to the rest of the group.

Alternatives

You could also ask the teams to identify the problems they have and some ideas as to how these can be overcome.

Suggested Review Questions

- What have you learnt that you didn't know before?
- What similarities/differences did you identify?
- How can we use this information to support us in the future?
- What worked well in the production of their poster?
- How did they work as a team?
- Were strengths in individuals utilised to best effect?
